

# 90 Degrees of Excellence:

## A Year of Growth & Impact

90 Degree Benefits is excited to reflect on and share some recent wins. Thank you to our valued partners, brokers, and customers who helped make these accomplishments possible.

### SERVICE

**Over 3.9M**

claims were processed.

**Over \$1.6B Paid**

**95%+**

Customer Satisfaction Scores among our large groups.

### INNOVATIONS AND HIGHLIGHTS

#### *RightTurnRx*

Our pharmacy cost-containment product uses a proven approach to cut Rx spend by 30% or more.

#### CareConnect

Our member navigation program connects members with care coordinators to produce significant savings when compared to traditional PPO plans alone.

#### PlanPoint

Our retirement plan aggregator streamlines fund contributions for 403(b), 401(a), 401(k) & 457 Plans for plan sponsors or service centers with multiple employee locations.

### We highlighted our cost-effective claims administration services:

- Religious and Non-Profit Health Plans
- State and County Prisons and Jails
- States and Local Organizations
- Hospice Care
- Municipal Employee Health Insurance Program (MEHIP)
- Repricing (i.e. PACE claims)

### We look forward to partnering and growing with you in 2025.

### GROWTH

**285** new client groups effective January 1, 2025.

**Over 14,600**

new lives effective January 1, 2025.

**Serves 4**

state risk pools.

This year we renewed contracts for state governments and continued growing alongside our many long-term nationwide group customers.
